

Toggle Switch

6512 & 6514 Series

2 and 4 pole versions are available.

A full range of 2 and 3 position switches with maintained or spring-return action and lever locking in any position are available. Both fixed and moving contacts are self-cleaning.

The lever is shrouded by a rubber seal to prevent the ingress of dust and moisture. The mechanism incorporates a firm detent which operates in advance of the contact changeover in any direction.

Switch guards type 5900 and 5910 are available for non-locking and locking dolly types respectively.

Features

- Type of Case: Sealed
- 2-Pole Weight: 33g
- 4-Pole Weight: 46g
- Normal Voltage: 28V DC, 200V AC
- Maximum Current: 5A
- Temperature Range: -40°C to +70°C

- Operating Altitude: Sea-level to 21,300m (70ft)
- Life: 50,000 Mechanical Operations
- Vibration: B.S.2G.100 Part 2 Grade B
